OFFICE OF LEGISLATIVE COUNSEL

Friday - 10 June 1977

1. (Unclassified - GLC) LIAISON Paul Daly, ~~FBI~~ called to tell me that he had been in touch with Representative Richardson Preyer (D., N. Car.) on the case of [REDACTED] and had "closed the loop" with Mr. Preyer. No further action is required by us or the Bureau.

2. (Internal Use Only - GLC) LIAISON Colonel Steven Harrick, DOD, called me to say that there had been considerable focus in the Department of Defense on the subject of the GAO request for information pertaining to a study which they were conducting on overhead reconnaissance programs. Harrick said it is now their feeling that it would be inappropriate for GAO to conduct this study and DOD intends to take this kind of a position with them. Before contacting GAO, however, Harrick expects that Assistant Secretary of Defense Duncan will be in touch with the Director to get his support in opposing disclosure of this kind of sensitive information to GAO and both Harrick and I feel that it would be far better to deal directly with the Senate Armed Services Committee, which was the original requester of this information.
